

HANNAH &
ALEC

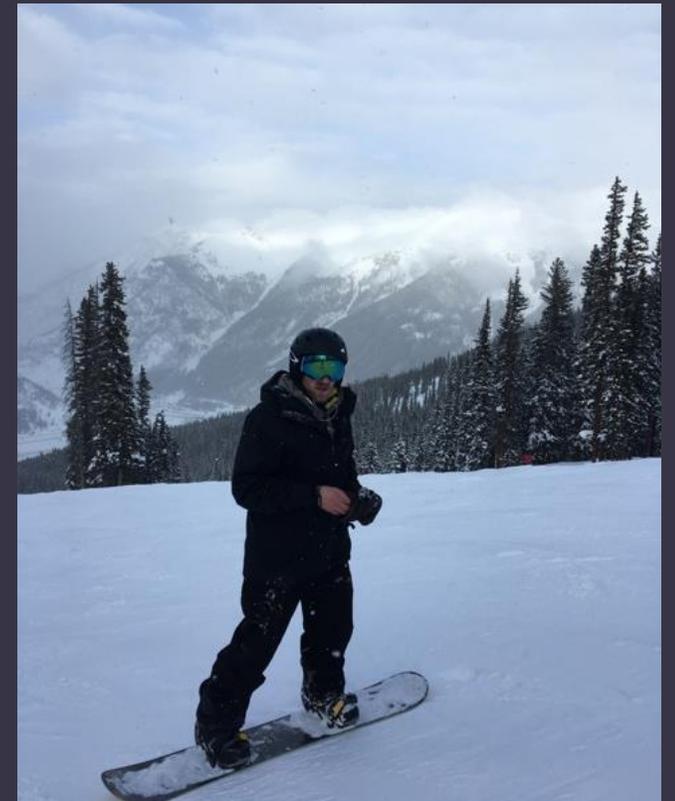

Dear Birth mother,

We have always known that when we were ready to expand our family it was going to be through adoption. For you to even consider us for your child's family is such an honor. Family and friends mean everything to us and it is our dream to bring a child into our tight knit community and provide a home full of love and adventure!

Whatever you may choose, know that we fully love and support you. We want you to feel confident and secure in your decision and truly hope that we are able to help you through this incredible journey.

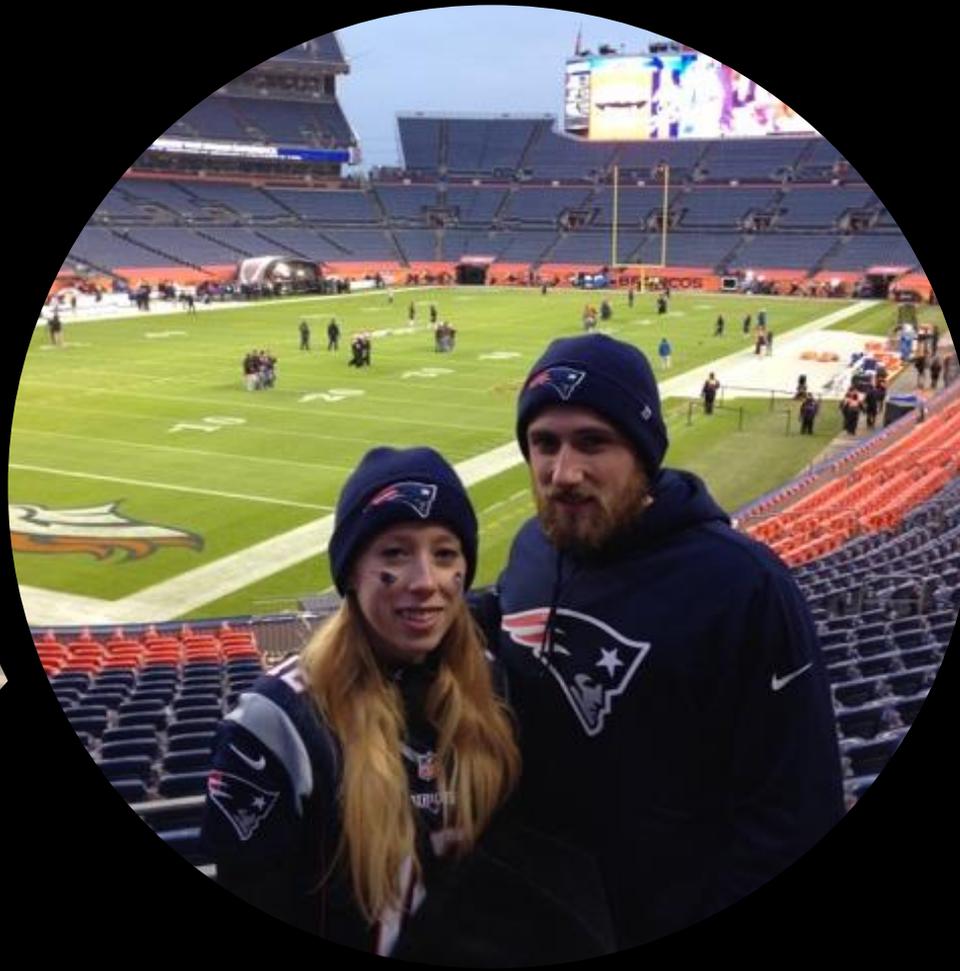

Alec was born in Vermont but raised in Maine. I have always loved outdoor activities and being on the water so it wasn't a surprise to anyone when I became a full time lobster fisherman. Like Hannah, I love working out, (our entire basement is dedicated to being a CrossFit gym!) golfing in the spring when I'm not busy, and spending time outside with our three dogs.

Hannah is the oldest of five children and was born and raised in Maine. I love any type of workout, traveling, and having projects around the house. I thrive off a busy schedule! Since separating from the Air Force in 2018, I work seasonally with my dad who owns a painting company and I am looking forward to becoming a stay/work at home mom when the time comes.

While we do live in a beautiful area, traveling is so incredibly important to us. There aren't many countries that are not on our travel list! We also love to do short trips to Florida where we have started investing in real estate. Spending time on the beach or at Universal Studios are priorities on these trips

We built our dream home at the end of a quiet dirt road and are filled with gratitude to live on an island in Maine with a national park and beautiful views everywhere we look!

We are huge Harry Potter fans! It is our dream to bring a child on adventures with us and share our passions. We want to encourage them to explore the world and know that nothing can limit them from their dreams and goals in life.

WE HAVE THREE EIGHT YEAR OLD GIRLS WHO ARE BEST FRIENDS! THEIR NAMES ARE BELLA (A CHIHUAHUA MIX), EMMA (A LAB), AND LEXI (A RETRIEVER/LAB MIX). THEY ABSOLUTELY LOVE GOING EVERYWHERE WITH US WHETHER IT BE A QUICK TRIP TO THE GROCERY STORE OR FOR A HIKE. THEY ARE OUR LITTLE SIDEKICKS AND FOLLOW US EVERYWHERE. WE LOVE HAVING ANIMALS AROUND AND HOPE TO ALWAYS HAVE A PET IN THE FAMILY!

Being surrounded by friends and extended family has made the decision to now pursue adoption so easy! We were both raised surrounded by loving family and friends so having a supportive community is crucial. Every holiday is spent with family and friends and not a birthday or event goes by where we are not all there supporting each other. Our family and friends absolutely cannot wait to meet our future child.

Our hearts are bursting with love already for our child and we know that God has the absolute perfect timing and will provide the absolute perfect situation. Know that we pray for you and support you no matter your decision

With Love,
Hannah & Alec
