

Rob & Alex

Dear Birthmother,

Thank you! We cannot say that enough. We have dreamed of having a child and we know that it would not be possible without moms like you. We admire that decision, and we are so grateful that you are considering us. We would love nothing more than to raise your baby surrounded by love from us.

WE MET IN MAY 2014 THROUGH AN EVENT AT OUR LAW SCHOOL, BOSTON UNIVERSITY. ROB WAS A YEAR AHEAD OF ALEX IN SCHOOL AND DECIDED ALEX NEEDED HIS HELP. WE QUICKLY LEARNED THAT WE WERE GOING TO HAVE MUCH MORE THAN A PROFESSIONAL RELATIONSHIP! AFTER BEING TOGETHER FOR THREE AND A HALF YEARS, WE GOT MARRIED IN OCTOBER 2017. THE CEREMONY WAS SMALL AND PERFECT, AND WE LOVED GETTING TO CELEBRATE OUR MARRIAGE WITH OUR FAMILY AND CLOSEST FRIENDS.

ROB GREW UP ON THE BEACH IN NEW JERSEY, AND I WILL ALWAYS LOVE THE SOUND AND SMELL OF THE OCEAN. I HOPE TO HAVE A FAMILY HOUSE ON THE BEACH WHERE WE CAN BRING OUR FUTURE CHILD AND TEACH THEM HOW TO SWIM. I AM A HOMEBODY, AND MY HAPPIEST DAYS ARE SPENT DRINKING TEA AND SNUGGLING WITH OUR DOG. I ALSO LOVE PLAYING VIDEO GAMES, WATCHING COMIC BOOK MOVIES, AND GOING FOR RUNS AROUND OUR NEIGHBORHOOD.

Alex grew up in South Carolina, but I have been a proud New Englander for almost ten years. Winter and Fall are my favorite seasons, so I love the colder weather up north. In the winter, I love to curl up with my dog in my favorite chair and read a good book. It is my dream to open my own little bookstore one day. Every fall we have a blast going apple picking. I can't wait to bring our baby to the local apple orchard and teach them how to make the most delicious apple pie.

Our dog, Gatsby, is a very important part of our home and our lives. He is a Labradoodle, which means he is both super cute and does not upset Rob's allergies. He is friendly and loves kids. He enjoys licking their toes and making them giggle.....He is excited to welcome a baby into our family.

WE LOVE OUR HOME! WE HAVE A BIG YARD AND OUR QUIET NEIGHBORHOOD IS FILLED WITH WALKING PATHS TO EXPLORE. WE ARE SURROUNDED BY NATURE AND WE OFTEN WATCH DEER OUT OUR BACK WINDOW. WE LIVE IN A SMALL NEW ENGLAND TOWN WHERE IT SURE GETS COLD, BUT IT IS BEAUTIFUL ALL YEAR LONG. WE ARE ALSO VERY CLOSE TO THE CITY WHERE WE LOVE TO SEE SHOWS AND EAT AT RESTAURANTS.

Thank You!

We cannot wait to welcome a baby into our home and shower him/her with love. Thank you for helping us fulfill our dream of being parents.
